

One life - make it count - get involved!

1st August 2015

Gospel for Asia (GFA) has been sharing the love of Christ to the 'most unreached' in South Asia for 36 years. Over the last 6 years, GFA Australia has organised an annual premier event "The Bridge Marathon", to raise awareness and funds to help break the poverty cycle that traps the "untouchable" children of India. GFA doesn't only patch the problem, they prevent the problem at the ground roots — through education in Bridge of Hope centres and English Schools! Funds raised by the **Bridge Marathon** have so far **rescued 1,619 at risk children** in Asia! This year's event on Saturday August 1st will be convened under Gospel for Asia Australia.

Help us rescue hundreds of children from the bonds of poverty and human flesh trafficking forever!

Divided by Pit Stops into three legs, the course starts at Teralba Park in Mitchelton Brisbane, and finishes at Crockett Park, Woody Point. Participants can **run, walk, or ride a bike**. Individuals runners can test their times against the best, or groups can enter as a relay team, or families may choose to complete any one of the picturesque legs. **100% of all sponsorship money raised goes to GFA's Bridge of Hope program** where kids are cared for, educated, and taught the love of Christ.

Come and join the hundreds of walkers who will [Bridge the Gap and Change a Child's Life!](#)
